What makes you truly special?

Your personality?
Your identity?
Your originality?
Your style?
Your story?
The choices you make?

A DMR 1902
window
is all this
and much more.

Windows with contemporary lines,
elegantly traditional,
with industrial or minimalist touches,
yet always unique and innovative.

What do you see here?

Small blocks of wood?
Production offcuts?
No, they are much more.
Within them lies
a new project,
rich in nature, value,
uniqueness and individuality.

Like a block of
marble to which
Michelangelo spoke
to reveal its essence,
its soul, the expressive
power held
within it,
these blocks
will become your
wooden windows
by DMR 1902.

Wooden windows,
each with
its own DNA,
expressing the best
in technology
and aesthetics.

We design
and create
windows shaped
by experience
and made entirely
of wood: inimitable,
innovative, unlike
any other,
just like each of us.

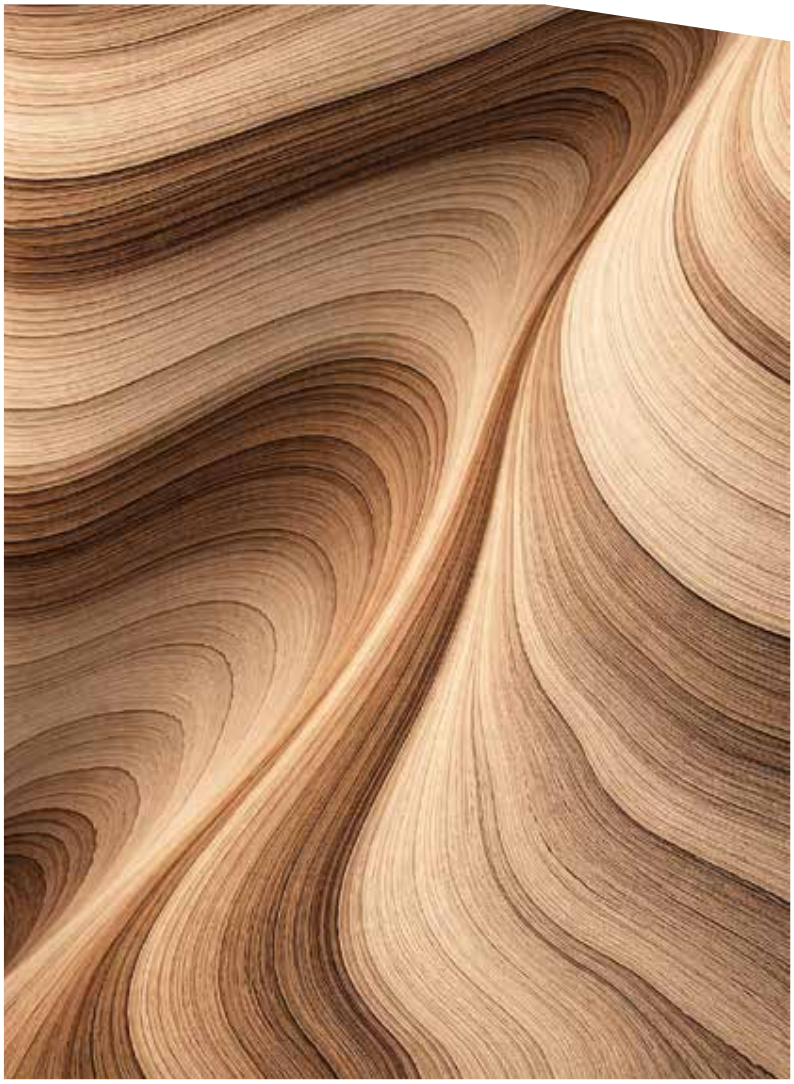

Be unique,
be different
and always stay
original, like
a DMR 1902 window.

We are your ideal partner
for solutions,
expert advice, reliability,
personalisation,
innovation and much
more.
